High School days are now behind us
And we've all had fun.
But harder days that stand before us
Now have just begun.

We all regret the things we've done that
Did not please our friends;
But now our task is almost finished
And it's late to make amends.

But as we go through life's long conquest
We'll always think of you.
Always reaching for life's best qualities
Being loyal and ever true.
